

Microsoft Canada invites you to:

The Future of Citizen Services

Date: Thursday September 28th, 2017

Time: 9:00AM – 12:30PM

Location: Microsoft Canada Head Office, Mississauga

20 Seats

[**REGISTER NOW**](#)

Spend a morning with visionaries and technical experts at the Microsoft Technology Center for an interactive hands on look on what's to come in municipal citizen service.

Topics Include:

- Artificial Intelligence and Municipal Citizen Services
- VR and AR Government Use Cases with HoloLens
- What other Canadian Municipalities are implementing and how they are building their vision of The Future of Citizen Services
